

Mrs. Martinez's Classroom Supply List

Family Members,

There are a few items that your son/daughter will need to start the year right in preschool. **He/She will need a backpack to bring home a few items each day.** Our district has provided your son/daughter with all of the supplies that they will need to be successful in their learning this year; however, there are a few items that I feel we need to keep your child healthy and present in our classroom. I have listed the items below.

- ✓ **Kleenex**
- ✓ **Clorox Disinfecting wipes**
- ✓ **Baby wipes**
- ✓ **Zip lock baggies**
- ✓ **Hand sanitizer**
- ✓ **Pull-ups/Diapers (if your child needs them)**
- ✓ **White T-shirt for end of the school year**

Thank you for the supplies for your son/daughter's classroom!

Mrs. Martinez
